

SGA Resolution 20-18-S

Improving International Student Orientation Programs

Whereas: International students who start their school at MTSU are unaware of several policies, procedures, and facilities.

Whereas: International students are unaware of several essentials which are required to fulfill basic and professional needs.

Whereas: Student who are new to United States are unaware of traffic and road rules; the places to buy daily needs; procedures to apply driving license and state ID cards; and to start a banking account.

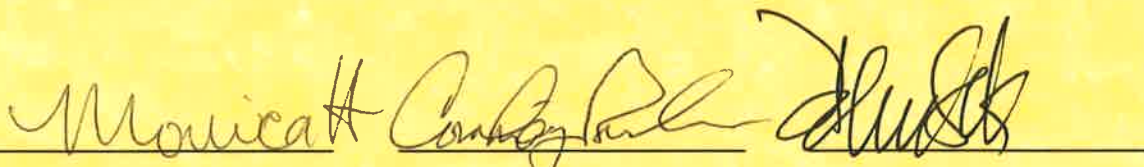

Whereas: International Students Orientation hosted by the University doesn't provide any information about banking ways, responding to emergency situations, State ID card, etc.

THEREFORE, LET IT BE RESOLVED BY THE 80TH CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:

Section 1: The orientation programs conducted to educate international students shall be improved to educate them on the listed topics.
