

## Resolution 16-09-F

### **A resolution to move the location of the campus tours from the Cope Administration Building to the Recreation Center.**

- WHEREAS: Campus tours currently start in the Cope Administration Building.
- WHEREAS: This is to cut down on time MTSU visitors spend looking for parking as well as the actual location of the tours.
- WHEREAS: The MTSU Recreation Center would be a good place for tours to start because it is one of our newly renovated buildings on campus, and we want to make a good first impression to those who are interested in MTSU.
- WHEREAS: Some may argue that the Recreation Center is an easier building to find in comparison to the Cope Administration Building.
- WHEREAS: Parking close to the Recreation Center is more likely than parking close to the Cope Administration Building.
- WHEREAS: The tour sign-in area will be located where the ping-pong tables are currently located.
- WHEREAS: The ping-pong tables will be moved back to original location, which is in the area behind the information desk, out in front of the aerobics room downstairs.

### **THEREFORE, LET IT BE RESOLVED BY THE 72<sup>ND</sup> CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:**

**Section 1:** Campus tours will begin in the Recreation Center rather than the Cope Administration Building.

**Section 2:** The tours will meet where the ping-pong tables are currently.

**Section 3:** The ping-pong tables will be moved to the area in front of the aerobics room across from the indoor pool.
