Dear Alternative Spring Break Applicant:

Thank you for your interest in the Alternative Spring Break (ASB) Program. ASB is a life-changing program that has grown quickly at colleges and universities across the country. The ASB program is one in which students learn about themselves and the world around them by volunteering for those less fortunate. This will be the fourteenth year MTSU has offered an opportunity to perform volunteer work during the week of spring break, and we know it will be the best trip yet.

While Alternative Spring Break is a fun and unique way to spend your break, it is an ongoing service project and you are expected to come with a desire to work hard and make a difference.

This year’s ASB will be held in Rutherford County, TN. The Office of Student Organizations & Service will provide MTSU student’s with four full days of community service projects. Transportation is by carpooling and bus; exact times are TBD.

All materials are to be completed and returned no later than Wednesday, February 28, 2018 by 4:30 p.m. Alternative Spring Break 2017 is on a first come, first serve basis because we can only take a limited number of students each day. Each participant is required to pay the $15 registration fee. Be sure to get your application in as soon as possible. Should you have any questions about ASB please do not hesitate to contact us. Thank you again for your interest!
