The cost of the post office rental is $15 per semester. You will need a letter from the Office of Student Organizations & Service in order to rent a post office box.
Portable Sound System

2 portable Fender amplifiers, 2 sets of speaker stands, and four microphones are available for rent. There will be a $25 non-refundable fee for their use. You must submit the Request for PA System form to reserve the speakers.

Student Organization Fair

Each fall, all registered student organizations have the opportunity to participate in the Student Organization Fair. The fair is an ideal recruitment tool for organizations in that it provides a way to meet and interact with potential members. In years past, organizations have set up displays, distributed literature, and met and answered questions for students wishing to know more information. This year, the Student Organization Fair will be held in the Student Union Commons on Tuesday, September 10, 2019 from 10:00 a.m. – 2:00 p.m. Student organizations that wish to participate may sign up for a slot on myMT no later than Monday, September 9, 2019 at 3:00 p.m.

Student Organization Resource Lab

All registered student organizations are provided access to the Student Organization Resource Lab located in the Student Union Building room 330 (CSIL Suite). For your convenience, the Resource Lab has been updated and is equipped with 7 Dell ® computers and 1 Apple iMacs. All computers have internet access and word-processing software, not to mention that half of them are equipped with graphic design software. Included in the space is a color copy machine for your organization’s business use.

Each organization is allotted 1,000 prints each semester for organization use. This equates to 500 black and white copies and 500 color. It is important to note that once a student organization uses their allotment each semester, we will NOT be able to add more copies until the next semester.

This Resource Lab is for student organization business only. Anyone found using the equipment for any other reason not meeting the specifications set forth by the Director of Student Organizations and Service or the Assistant Vice President of Student Affairs will lose privileges for themselves and their organization.
Leadership Library
Organizations will be able to check-out books on icebreakers, group activities, recognizing leaders, community development programs, and more. Student Organization Finances

Student Organizations who plan to collect money for dues, fundraising efforts, or through sponsorship will need some type of financial record keeping system.

Bank Accounts
In the event a registered student organization maintains a bank account, at least two (2) signatories will be required for withdrawal or payment of funds from the account. *Debit cards are prohibited.* Student Organizations who maintain a bank account will need to complete a W-9 form (see appendix) in order to seek student activity fee reimbursements.

The University will no longer issue checks to student organizations. Any student organization with an off campus bank account must be set up for Direct Deposit.

MTSU Agency Accounts
Registered Student Organizations are able to open an MTSU agency accounts through the Business Office. This account operates very similar to a bank account in that it too requires dual signatures for expenditure of funds. You may contact the MTSU Business Office by calling (615) 898-2940, visiting our offices in Cope Administration Building, or emailing boffice@mtsu.edu.

Financial Reports
All University approved student organizations must be prepared to submit a financial statement and/or reports concerning programs and activities upon request to the associate dean of Student Life. The University reserves the right to place on probation or withdraw its approval from organizations which operate outside the bounds of sound financial procedure or show other evidence of financial irresponsibility. The University assumes no responsibility for indebtedness incurred by student organizations. Every University-approved organization must submit a statement of fees, dues, and assessments to Assistant Vice President of Student Affairs upon request.
Student Organization Travel Policy

Student Organizations who travel must complete in its entirety the notification to travel form before traveling.

Travel Policy
The goal of the MTSU travel policy is to ensure that student organizations effectively prepare for and plan travel so that everyone involved has a safe and fun experience. The travel policy applies when the intended travel is to an activity or event located more than 50 miles from the university. MTSU will provide education about safety, crisis response, and trip preparation in the travel manual to assist organizations when traveling. All registered student organizations are required to complete and submit the “Notification of Student Travel” form to the Office of Student Organizations and Service five (5) business days prior to the departure date. Additionally, all student organizations are required to have a travel liaison whose primary responsibility will be to coordinate the groups travel and communicate the travel plans to the Office of Student Organizations and Service. The travel liaison may be the same student for the entire academic year or may change with each trip. Failure to comply with this requirement may result in the immediate suspension of the organization pending investigation by the Office of Judicial Affairs and Mediation Services.

Travel Liaison
An approved travel liaison will be a current Middle Tennessee State University student, member of registered MTSU student organization. Travel Liaison will be responsible for submitting the travel notification form five (5) business days prior to travel; collecting emergency contact information for each individual traveling five (5) business days prior to departure; serving as the primary contact with the organization advisor; and submitting copies of all information to the organization’s advisor and Director of Student Organizations and Service. See appendix for travel form example.

Visit http://mtsu.edu/sos/docs/travel.pdf to access the Travel Policy forms.
Marketing & Advertising Events

*Student Organizations are able to request announcements to be made via various technology resources on campus.*

Student Organizations can request announcements to be posted on the Student Organizations and Service announcements. Requests should be made to camporgs@mtsu.edu by Friday at noon for the following week!

Student organizations, MTSU departments and individuals may post flyers on designated bulletin boards in the Student Union, Keathley University Center, and James Union Building. No reservation is required, but each posting must be approved and stamped by the Student Unions department. The Student Unions department reserves the right to decline any posting that is deemed inappropriate.

**Handbills, Pamphlets, & Table tents**
Registered student organizations and MTSU departments may request permission from the Student Unions department to distribute printed materials such as handbills, pamphlets, etc. Details on where and when these items may be disseminated will be determined on a case-by-case basis, according to the nature of the advertisement and the intended audience. Printed materials found around the buildings and grounds in areas not explicitly approved by Student Unions staff will be discarded. Unapproved printed materials found around the buildings and grounds will be discarded and promoters will be asked to leave campus.

**Yard Signs**
Yard signs advertising or promoting products, events, or services by unaffiliated groups or individuals or by commercial enterprises are prohibited. Only registered student organizations and departments are authorized to post yard signs. No reservation is required, and yard signs
are allowed in most locations on campus, with the exception of all campus roundabouts and
the President’s Lawn. Yard signs must not block or protrude onto any sidewalk or impede
accessibility to any walkway on campus. They must be removed by sponsoring organization
promptly after event concludes.

Chalk
Sidewalk chalk is NOT permitted on campus grounds. Chalking is treated as a police offense for
Destruction of Public Property.

Banner Space
The Student Unions department offers designated spaces inside the Student Union building and
outside the Keathley University Center where student organizations and MTSU departments
may display banners. Requestors may submit a reservation application to hang banners on the
patio railings outside the KUC Grill, on the KUC columns (charges apply for this area, as Facilities
Services must be enlisted to hang these banners) and/or in the Student Union Atrium on the
2nd floor railing. The newly updated banner reservation application outlines specific guidelines
on the size and type of banner that may be displayed in each area. Please read these details
carefully to ensure that your organization/department does not waste time and money on a
banner that does not meet the requirements.

PLEASE NOTE: Bed sheets are no longer permissible in any area, but canvas cloth is an
inexpensive alternative for handmade banners. Banner reservation applications:

  reservation.
Student Organization Office Space

The purpose of this policy is to outline the guidelines for use of designated rooms or office space within the Student Union by a Student Organization.

1. Use of space within the Student Union is a privilege which will be extended to certain MTSU registered student organizations on an annual basis or at discretion of the Director of Student Organizations and Service.

2. The Office of Student Organizations and Service reserves the right to terminate an organization’s use of space at the end of the designated occupancy period or due to a violation of the terms of use for the space. They also reserve the right to refuse to accommodate any organization’s request for space.

Terms of Use:

1. The Office of Student Organizations and Service shall determine the length of use for each space. Typical length to use will follow an academic year calendar. Each space occupancy agreement will be reviewed on an annual basis with each group submitting a new request to utilize the space for the next academic year. Renewals are not guaranteed and may be contingent on allowing other student groups an opportunity to occupy office space.

2. Requests for space occupancy and renewal of space will be in April each year and will be reviewed by the Student Organizations and Service Director or designee. Decisions will be made by the end of the spring semester.

Criteria for Student Organization Office Space:

- A registered student organization with the Office of Student Organizations and Service (LS) a minimum of one year, attended Presidium (President’s Retreat), completed all necessary reports through myMT, and in good standing with the University.

- Documented activities/programs that serve the MTSU student body (e.g. number of programs, numbers of student participation in meetings and events; co-sponsorship, open engagement with the University and greater community)

- Demonstration that the organization’s activities reflect its stated mission, goals, and objectives.

- Suitability of organization functions and needs for available space.

Priority given to groups who can demonstrate:
Student Organization Handbook

- A student organization that has been registered with Student Organizations and Service for at least one year.
- Affiliation with the Center for Student Involvement and Leadership
- Ability to share space with other groups
- Willingness to maintain office hours (10 hours per week)
- Lack of other designated space on campus

Guidelines for Use of Space:

1. The Office space is to be utilized for legitimate activities, meetings, gatherings, and functions consistent with the registered purpose of the organization and the curricular and co-curricular mission of the University, and shall be compliant with all terms of this Agreement and University policies (MTSU Rights and Responsibilities, TBR Policies, Student Union Policies).

2. It is expected that all groups and guests of the organization utilizing the space maintain an attitude of respect and civility and respond in a professional manner to Center for Student Involvement and Leadership (CSIL) requests.

3. Organizations must maintain a minimum of 10 office hours each week. All office hours must be posted on the door so that guests will know when they can reach you.

4. Sleeping, overnight stays, or using the office space as a place of residence in any way by any individual is absolutely prohibited and will automatically subject guilty persons to University disciplinary action and may result in immediate loss of office space privileges for the organization.

5. The designated office space must be kept clean and organized. Any shared common space should be kept clean of trash and other items at all times. Any changes in office appearance must be submitted to and approved by the Director of Student Organizations and Service. This includes changes of paint, hanging items on the wall, etc.

6. All furniture assigned to the office/space must remain in the office. All common area furniture must remain in the common area space and should not be placed in offices.

7. All damages to the space (carpet, furniture, walls, equipment, locks) are the responsibility of the organization, which may be assessed the cost of repairs, replacement and/or fines for the damage.

8. Guest Policy: An MTSU Student Organization member must accompany visitors who are not MTSU students or organization members. Organizations are responsible for guests’ behaviors and actions.

9. MTSU assumes no responsibility for materials placed in or missing from the allocated spaces. No cash should be left in offices; deposits should be made within 24 hours following any collections.
10. Any general maintenance concerns should be reported to the Office of Student Organizations and Service.
11. Organizations that lose recognition by MTSU or the Office of Student Organizations and Service will automatically forfeit their allocated space.
12. Allocated space will be checked weekly to ensure appropriate use and safety.
13. If it is determined that an organization is not utilizing their designated space or is using it inappropriately the Student Organizations and Service Director has the right to terminate the organization’s use of the space.
The Office of Student Organizations and Service sponsors an annual awards recognition program during the spring semester. Reserving Space

Instructions to schedule facilities:

1. Check 25Live (mtsu.edu/25live) and properties available for student usage (https://mtsu.edu/eventcoordination/forms.php) for appropriate facility and/or available space.

All schedulers have the right to refuse facility space to any group. Reasons include, but are not limited to: previous cancellations without notice, outstanding debt/non-payment or inappropriate use of facilities. Please check with facility schedulers for regulations and building hours.
Best Practices for Reserving Space

DO:

- Plan ahead
- Review timelines and policies
- Talk to your advisor, a CSIL staff member and facility Scheduler/Coordinator
- Have a backup plan
- Secure a budget plan, as needed
- Turn in completed and accurate paperwork (facility, food and sound forms)
- Correct MTSU affiliated (student) organizational name
- Expected head count
- Event dates and back up dates, needs, and description
- MTSU email contact information
- Expect to receive communication concerning your request within three business days
- Read and double check the room confirmation email for accuracy
- Advertise on myMT and check the University Master Calendar (mtsu.edu/calendar)

DON'T:

- Wait until the last minute to check venue options (even for a small meeting)
- Turn in late forms
- Advertising a meeting or event prior to receiving a space confirmation
- Assume facilities come with resources without checking
- Expect to get in rooms early or stay late without confirming times with the scheduler
Student Unions Update and Reservations

Over the last few months several changes have happened with events, operation and scheduling for the Student Unions and the spaces they manage. This includes the James Union Building, The Keathley University Center, and the Student Union Building.

Scheduling

1. A new request for space form can be found at www.mtsu.edu/mtunions. Please use this form as you request space in any Student Unions space. The form requires no printing and can be completed on a handheld or tablet devise, using your PipelintMT username and password.

2. You will indicate your faculty advisor’s name and email on the form to obtain their electronic approval. The email MUST be correct and an MTSU email. If the email is entered incorrectly, your form will go to a repository and thus “lost” in the cyber sphere.

3. After your advisor has approved, the form is automatically routed to the appropriate office in the Center for Student Involvement and Leadership. You will receive an email once your form has completed its routing and has been approved (or denied) by the appropriate CSIL Office.

4. This email will contain instructions on where to send your form as well as a link to get the .pdf copy of your form with electronic signatures indicating approval from your faculty advisor and CSIL.

5. The person who created the form in the beginning will submit the completed .pdf form to mtunions@mtsu.edu for processing.

As before, your form will need to reach the Unions Staff, at minimum, 5 business days in advance. This means your faculty advisor and CSIL staff has had time to approve it prior to the five day window. A confirmation email will be sent to the person indicated on the request and only to that person. This confirmation should be received within 3 business days of the submission. Confirmations are sent to the advisor, and a copy sent to the email address listed to receive a confirmation.

New Space Available for Reservations

New unions policies permit the Unions staff to alter a requested space depending on availability. This means, if you request a space for 50 people, and the room indicated on the form is not available then another room will be selected and confirmed for you. It would be a
good rule to visit the [www.mtsu.edu/25live](http://www.mtsu.edu/25live) website BEFORE completing your requests in order to avoid this scenario.

A continued request has been made for a space for dance rehearsal, martial arts, and other movement oriented activities. KUC 324 has now been set aside as a space that will be left as a large open space. Chairs are provided but are stacked in the back of the room. The space is equipped with AV, sound, and video. This space is available 7 days a week. Organizations wanting to use this space must follow the application policy outlined above.

### Questions

Some of the responsibilities of the Unions Staff have been altered to help users understand who to contact for specific questions.

Jennie Bryan, [jennie.bryan@mtsu.edu](mailto:jennie.bryan@mtsu.edu) has contact areas of Information Desk, Lost and Found, Tabling, Single use meeting space. Single use meeting space is defined as using a meeting room with no setup, for a single use or regularly scheduled meeting. An example would be a book club that meets every Monday at 6:00 PM in room SU 218.

Tiffany Fantine, [tiffany.fantine@mtsu.edu](mailto:tiffany.fantine@mtsu.edu) has contact areas of all campus events. If your activity or event is not Informational Tabling, or single use meeting room your event is classified as an event and will be subject to event service fees.

Student Programming and Raider Entertainment (SPARE)

SPARE is a student group advised by the MTSU Student Programming & Activities Office. It is SPARE’s mission to provide quality, low-cost entertainment for students throughout the year. SPARE focuses its efforts on providing various types of entertainment to the student body: Concerts, Films, Games, Social Awareness, Spirit Activities, and Variety.

Students involved with SPARE will have opportunities to get event planning and coordination experience, paid employment, and network through meeting new friends and getting involved. Events held throughout the school year include concerts, trivia nights, movie screenings, and much more! More information on how to get involved is found at mtsu.edu/events

SPARE operates under the MTSU Student Programming & Activities Office and is funded through student activities fees. In return, we put the money back into the students' hands through our programming councils. Events are planned, promoted, and implemented by MTSU students with the goal of providing the best entertainment at the lowest cost.

We understand that collegiate education outside of the classroom is essential to the well-rounded college student. We know that providing students with individual opportunities to learn and grow experientially complements the great education that students at MTSU receive resulting in well-rounded and successful graduates. We believe that all programs and experiences we offer are structured to help students make the most of their education at Middle Tennessee State University.

The Student Programming & Activities Office is located in MTSU Student Union Room 340. The staff welcomes your comments, questions and suggestions. You may contact us at (615) 898-2551.
