Session 1: 2:30 PM – 3:15 PM  Session 2: 3:30 PM – 4:15 PM

1. MT Engage  BAS S118
An opportunity for students to enhance their academic abilities and experience by incorporating strategies that include learning communities, collaborative learning, service-learning, co-curricular, etc. In addition, students will develop an ePortfolio that will showcase their knowledge.

2. Student Conduct  BAS S264
Strives to promote a learning environment to provide knowledge on the rights all student holding students accountable for their decisions.

3. AFROTC  BAS S208
Air Force Reserve Officer Training Corps located at Tennessee State University. Students can earn a minor in military science through a cooperative program between TSU and MTSU while providing pre-commissioning training to college students.

4. Intercultural & Diversity Affairs  BAS S260
Promotes cultural awareness, an understanding of belonging for students, and providing a comfortable and supportive environment. Additionally, the office creates opportunities for academic, social, psychological, and personal growth.

5. MT One Stop Financial Literacy  SESSION CANCELLED  BAS S126
Presentations as well as on-campus events that focus on one’s financial well-being. In addition, One Stop offers a wide range of resources and financial basics to help individuals learn at their own pace.

6. National Student Exchange  BAS S262
Students have the opportunity to pursue their collegiate studies through a student exchange program located at a variety of colleges and universities among the regions of the United States, Canada, Guam, Puerto Rico, and the U.S. Virgin Islands.

7. MTSU Army ROTC  BAS S278
A collegiate elective that is taken with other courses that provides students with a broad educational base, basic military information, the fundamentals of leadership and management, and develop individual character. In addition, Army ROTC covers 4 years: 2 devoted to the Basic course and 2 devoted to the Advanced course.
8. Counseling Services  
Free, short-term services that are provided for currently enrolled students in which they will meet with a licensed mental health professional. At the end of the session, following the presenting issue and background information, the counselor will have treatment recommendations for the student. Additionally, referral services are provided for students who need more long-term or specialized treatment.

9. University Studies - Interacting with Professors: Professor Lewis Gray  
*Session 1 Required for Scholars Academy students*
A division of the University College that is committed to serving first-year and transfer students to MTSU. The objective is designed to work with the students to determine their academic placement, assist them with their transition to the university, and provide academic support and instruction where necessary.

10. June Anderson Bystander Education  
SESSION CANCELLED
A division of MTSU’s Power of One designed to help students gain knowledge on what to do if they are a bystander during a time of a crisis. 4 D’s: Direct, Distract, Delegate, & Delay.

11. Campus Recreation  
The Health, Wellness, and Recreation center that allows students to have inclusive access to a variety of amenities such as Basketball and Volleyball Courts, a Weight Room, Cardio Room, Indoor and Outdoor Pool, and Health Services. Additionally, students are able to join intramural/club sports or participate in outdoor pursuits for just a low cost.

12. Walker Library  
The library located on MTSU’s campus that supports the academic needs of students. It includes 4 floors, Quiet Zones, Meeting Spaces, Spacemaker, P.C. and Mac Computers, Tutoring, and a Starbucks, for when stressed.
