The social work profession is dedicated to helping all people develop their strengths, to helping build a more economically and socially just society, and to helping the world become a better place in which to raise our families. Student training is offered through class work and special student work experiences to demonstrate how to relate effectively to all types of people and to appreciate how emotional, social, economic, political, and spiritual forces influence the behavior of those we are helping.

The Social Work Department has a number of scholarships for majors and information about them can be obtained from the department.

Some social work courses are open to non-majors.

Curricular listings include General Education requirements in Communication, History, Humanities and/or Fine Arts, Mathematics, Natural Sciences, and Social/Behavioral Sciences categories as outlined on pages 60–63.

Major in Social Work

The major in Social Work leads to a Bachelor of Social Work (B.S.W.) degree which is accredited by the Council on Social Work Education. The program's primary objective is to prepare the student for beginning professional practice in social work. It also provides a foundation for students planning to pursue graduate study in social work.

Students who choose to pursue a major in Social Work must take a minimum of 60 hours including S W 2570, 2630, 3000, 3110, 3120, 3160, 3161, 3200, 4480, 4580, 4590, 4650, 4680, and 4690; and one of the following: S W 3050, 3100, 3170, 3250, 4150, 4200, 4430, 4440, 4620, 4640, 4720.
