There are three patterns of minors from which a candidate must choose:

1. a single minor consisting of at least 12 semester hours; 12 undergraduate hours in an area are prerequisite to a single minor in that area at the master's level;
2. a minor consisting of a minimum of 6 semester hours in each of two subjects;
3. the distributive minor consisting of a minimum of 12 semester hours in at least three subjects.

The candidate is expected to complete the total program in the major, minor, and/or cognate fields. A cognate is defined as 6 semester hours.
