- ULTIMATE HANDHELD pH TESTER - Loved by growers the world over, the Bluelab pH Pen makes measuring pH and temperature in solutions fast, accurate and reliable. Turn on, dip into the solution, get an instant digital pH measurement. No more test strips or reagent kits - get instant, accurate pH measurements of liquids. Ideal for commercial and hobby growing of fresh produce, flowering crops, shrubs and container crops.
- HELP YOUR PLANTS GROW - Closely monitor and adjust the pH levels in hydroponic reservoirs, runoff or soil solutions to optimize plant health and performance. Spot check then adjust the pH levels in nutrient solutions to optimize nutrient uptake. This handy device helps you know the nutrient you add will be available to the plant.
- QUALITY FEATURES - Fully waterproof, temperature compensated pH measurement, simple 2-point calibration process, selectable units for °F and °C, backlit LCD display, hold measurement display function, Auto-off function, 30-day calibration indicator, low battery warning, and tethered probe cap with KCl probe storage reservoir to extend probe life.

Penn Plax Airline Tubing for Aquariums – Clear and Flexible Resists Kinking, 25 Feet Standard

by Penn Plax

1,449 customer reviews
47 answered questions

Price: $4.58

Get $40 off instantly. Pay $0.00 upon approval for the Amazon Prime Store Card.

Size: 25 Feet

- Safe for salt and freshwater aquatic environments. Standard 3/16 inch diameter tubing is great for all your aquarium airline need.
- Made from clear, flexible plastic. This airline tubing is built to last and withstand wear and tear. It is also resistant to kinking.
- Flexible plastic makes this tubing a breeze to work with. Great for use with aquarium ornaments or bubbles and many filters.
- Fits seamlessly in any home aquarium and virtually disappears in the water. Non-toxic so it will not harm your fish.
- You will not have to constantly replace old, broken tubing when you buy Penn Plax. It is ultra durable and will not become brittle or crack in time.
