

SGA Bill No. 8-02-F

A resolution to open all white and green parking spaces on the MTSU campus at 5:30p.m. for all permits.

Whereas: The lots are not full after 5:30 p.m.

Whereas: Especially in the winter months when it gets dark outside much earlier, being able to park closer to one's destination promotes good safety.

Whereas: All full time students now pay for parking in their tuition , including night students, the lots should open earlier.

THEREFORE, LET IT BE RESOLVED BY THE 65TH SGA CONGRESS THAT:

Section 1: Upon passage, all white and green parking spaces on the MTSU campus shall be open to all permits after 5;30 p.m. , taking effect as soon as possible.
