

SGA Resolution 7-04-S

A resolution to allow copy machines around campus to accommodate both “raider funds” and “flex bucks.”

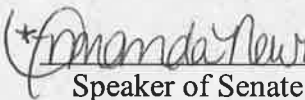

Whereas: All freshmen residing on campus are required to have “flex bucks”

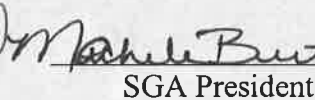

Whereas: All copy machines are only functional to coins, bills, and raider funds; thus, students with “flex bucks” who do not have money or “raider funds” are not getting full convenience of their mandatory flex dollars.

Therefore, let it be resolved by the 66th Congress of Student Government Association of Middle Tennessee State University that:

Section 1: Upon passage by the Senate, appropriate changes will be made to the copy machines to accommodate both “raider funds” and “flex bucks”.

Sponsored by: Senator Randy “Cricket” Crawley, Jr.

Speaker of Senate

SGA President

VP Student Affairs
