

SGA Resolution No. 9-06-F

A Resolution to require all parking lots to include proper signage that states the times when all colored parking permits are allowed to park.

Whereas: Currently Middle Tennessee State University Parking and Transportation Services only labels the six parking lots that open at 5:30 p.m. to all colored parking permits,

Whereas: All other parking lots open at 6:30 p.m. to all parking permits and do not have signs stating the respective hours,

Whereas: Under the recommendation of Attorney General Lora Hortert, signs should include opening times for all parking lots,

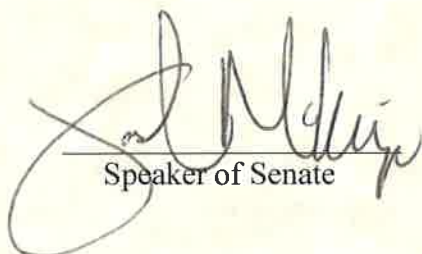

Whereas: Placing signage noting time restrictions on each parking lot sign will help MTSU students with parking and avoid being ticketed for lack of knowledge of parking lot times,

THEREFORE, LET IT BE RESOLVED BY THE 69TH SGA CONGRESS STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

Section 1: All parking lots will have signage that state the times when all colored parking permits are allowed.

RE: SGA Resolution 9-06-F

DATE: November 10, 2006

I am forwarding the attached legislation requesting that parking lots on campus be posted with the time that those lots open for general parking. The students have indicated that the current system is confusing and that the times that lots open varies across campus.

I would like to point out that similar legislation was brought before the SGA Senate in October of 2005 and forwarded to Parking and Transportation Services for consideration. The SGA has indicated that they did not receive a response to that legislation and are therefore raising the issue again. I have included a copy of the previous legislation for your convenience.

We generally ask the appropriate departments to provide some timely response to SGA legislation. I request that you correspond with Mr. Jay Cash, SGA President, or Dr. Gene Fitch in regards to this matter.
