

SGA Resolution No. 22-06-F

A Resolution to place more trash dispensers and recycling bins on the campus of Middle Tennessee State University to help prevent littering problems in high traffic areas, which affects the campus.

Whereas: The campus should be taken great care of but the littering problems on the yard are at a continuous rise,

Whereas: Littering takes a large toll on campus and our environment as a whole,

Whereas: Although it is unfortunate, many students disregard their social responsibility for the campus of MTSU,

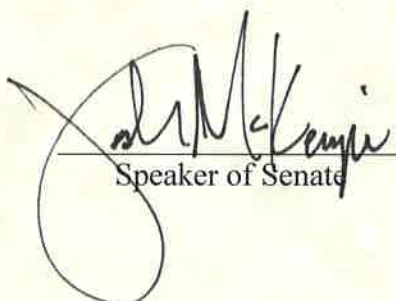

Whereas: Additional trash dispenser and recycling bins would give students more opportunities and a higher obligation to dispose of garbage and less reason to litter,

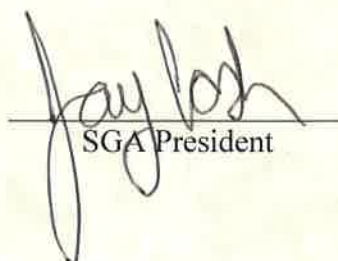

THEREFORE LET IT BE RESOLVED BY THE 69TH SGA CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MTSU THAT:

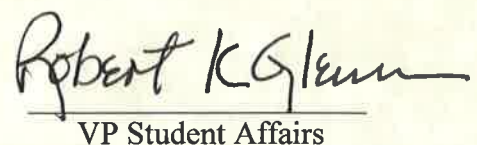

Section 1: Trash dispenser will be placed on campus in selected areas such as the intersection of Normal Rd and Faulkenberry, the parking in front of James Cummings Hall, the MTSU Blvd/Rutherford Blvd. parking lot, and adjacent to the Boutwell Dramatic Arts Building.
