RE: SGA Resolution 3-08-F

DATE: October 22, 2008

The attached legislation requests that members of the Student Government Association be given the option of purchasing white parking passes. Though I understand the students' desire to have access to what they believe is more convenient parking, there are many other student leaders who can make the same argument. I am concerned that this will create a domino effect and therefore, do not support this legislation. However, I am required, per the SGA Constitution, to forward this legislation to the appropriate individual for a response.

We generally ask the appropriate department to provide some timely response to SGA legislation. In the immediate instance, I believe it would be appropriate for the Parking Committee to review the SGA's recommendation and provide a response to me within 30 days. Please contact Sondra Wilson, SGA President, or Dr. Gene Fitch if you have any questions regarding this legislation.
