

SGA Bill No. 01-08-S

**A bill to amend Article VII, Section 1 of the Middle Tennessee State University Student Government Association Senate Bylaws to replace the requirements of Senate hours from twelve (12) hours of Student Government projects/activities to a minimum six (6) Student Government projects/activities and six (6) hours of any approved community service.**

**Whereas:** In the past, Senators have struggled to meet the existing requirement due to scheduling conflicts,

*VETO*

**Whereas:** This would eliminate the need for fabricated projects at the end of the semester in order for Senators to "catch-up" on their Senate hours,

**Whereas:** This would allow for Senators to complete the same number of Senate hours per semester, while serving both the Student Government Association and the Murfreesboro community,

**THEREFORE LET IT BE RESOLVED BY THE 70<sup>TH</sup> CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:**

**Section 1:** Article VII of the Student Government Association Senate Bylaws of Middle Tennessee State University shall be amended to state the following: "Each Senator shall be required to complete no less than twelve (12) Senate hours per semester of his/her term. Senators may acquire these hours by working a minimum of six (6) hours for any SGA Cabinet member or by working on any approved Student Government project or activity. The remaining hours can be earned by working any approved non-SGA sponsored community services. The Senator must be able to show proof of the service hours earned outside of SGA sponsored events."

**Section 2:** If a Senator fails to meet the required twelve (12) service hours, he or she must complete them the following semester or go before the Internal Affairs Committee for disciplinary action.
