

SGA Resolution 01-10-F

A resolution to place a Red Box movie rental outside of the Keathley University Center

Whereas: The KUC movie theater only shows a limited number of movies and students schedules may not always allow them to go out.

Whereas: The Red Box would give students living on campus an opportunity to easily access movie rental without having to leave campus.

Whereas: MTSU would also profit from the Red Box because it is a partnership.

THEREFORE, LET IT BE RESOLVED BY THE 73rd CONGRESS OF THE STUDENT GOVERNMENT ASSOCIATION OF MIDDLE TENNESSEE STATE UNIVERSITY THAT:

Section 1: Pending approval from Red Box a Red Box movie rental will be placed outside of the Keathley University Center

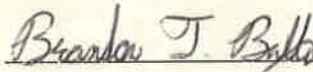

Section 2: The Red Box is to be placed on the backside of the KUC near the post office doors.
