Move for favorable passage

Seconded

Senator Bogle exercised his right to first debate and spoke on helping student body on the upset of change

Senator Hardman 'thinks it's awesome'. He asked Sen Bogle if he spoke to anyone about this resolution

Senator Bogle checked into it

Senator Wood suggested to amend section 1 to strike 'copies' and insert 'pages'

Vote on amendment, motion passes

Vote on amended motion, motion passes

SGA Resolution 7-14-F

Move for favorable passage

Seconded

Senator Hardman exercised right to first debate

Senator Hardman moved to amend section 3 to say 'this resolution will go into effect spring semester 2015 and passed along to the Students For Environmental Action and monitored by the Student Government Association Executive Board.'

Exercised right to first debate on amendment – we should pass it along to SEA to include another organization on campus because that is who we represent.

Senator Keys asked if suggestion was looked into to see if a water station would be installed in Peck Hall

Senator Hardman said he thought for a trial session, the water stations should be in the most popular locations across campus for now.

Voted, motion passes

Senator Blackwell asked if SEA will decide how many stations are located across campus?

Senator Hardman said it would be up to campus' discretion.

Voted, motion passes

SGA Resolution 8-14-F

Moved for favorable passage

Seconded

Senator Benne exercised right to first debate – putting pedestrian stop light with a weight sensor and staying green

Senator Barber thinks it's a good idea although some in her college are not 'keen about the idea'

Senator Wood asked if he wants this to be a trial? It is, so he amends section 1 to insert 'at the Blue Raider Crosswalk'

Senator Hardman wants to amend amendment to section 1 to say '(in order to help the flow of traffic for students, Middle Tennessee State University will purchase a pedestrian light system at the Blue Raider Crosswalk)

Vote on amendment to amendment, motion passes

Vote on amendment as amended, motion passes

Senator Dunn asked if Senator Benne has looked into the cost of a solar panels for pedestrian stop light

Senator Stiles think the purpose of the campus is to park outside of the main campus and walk in

Voted on resolution, motion passes

SGA Resolution 9-14-F

Moved for favorable passage

Seconded

Senator Hardman exercised right to first debate – trial run in the library was successful, Kanyon came to campus. Spoke with admin about concerns with allergies, library space is big enough to avoid the dogs. Dogs will not be brought around to see students, it will be kept out of the way.

Vote, motion passes
