Research guidance and mentorship provided by Aerospace Technology faculty. Students will utilize research equipment provided in the Aerospace Technology Laboratory.	3

Aerospace, Professional Pilot, B.S. (Additional Requirements)	Summer 2023	Program Change Form	The Professional Pilot concentration lists Additional Requirements for admission and continuation in flight labs. The proposed changes to the Additional Requirements section includes 1) removal of reference to the Murfreesboro Municipal Airport, 2) direct students the Aerospace website for a link to the Flight Lab Request Form, 3) removal of the requirement for a 3.0 GPA to be eligible for flight labs, 4) clarification of the FAA medical certificate needed for flight labs, 5) alerting students to weight and size limitations in MTSU aircraft, 6) removal of the retention statement based upon GPA since the department cannot remove students from a concentration, 7) clarification of adequate progress through flight labs, 8) explanation of codes of conduct and Flight Review Boards, and 9) clarifications of required attendance as presented in the Operations Manual.	4
Aerospace, Technology Concentration, B.S.	Summer 2023	Program Change Form	The Aerospace Technology concentration currently requires students to complete AERO 4071 as a 3 hour research course. Since AERO 4071 is a general independent study course that is open to anyone, the Aerospace Department has submitted a new course proposal for AERO 4410 to take the place of AERO 4071 for Technology students. The only change to the Technology curriculum is to replace AERO 4071 with AERO 4410.	5
